Each of the writers constructs a story set in the same universe, complementing each other. *** Mercedes Lackey chose a promising young writer, Cody Martin, and together they created the universe of Reboots: a universe where paranormal creatures live side by side with regular humans.and who best then to take on the rigors of space flight? *** Spaceships full of zombies, werewolves and vampires .what could be better? *** Not much, it seems like, and we decided it was a world that needed more aterial.
