The characters within these territories are real-life survivors, but whether it's a frustrated housewife seeking extreme experience or a young woman contemplating the death of her lover, dark devices and desires rise to the surface. And the human body, too - flawed, visceral, and full of emotional conflict - provides a sensuous frame for each unfolding drama. Uniquely disturbing and deeply erotic, this collection confirms Sarah Hall as one of the greatest writers of her generation. The BEAUTIFUL INDIFFERENCE includes 'Butcher's Perfume', which was short-listed for the BBC National Short Story Prize in 2010 208 pp. Englisch.
