# PRINCIPLES OF ECONOMICS, 2 VOLS (8TH EDITION)

Atlantic Publishers & Distributors (P) Ltd, 2010. Hardcover. Book Condition: New. 5th or later edition. Alfred Marshall dominated the world of Economics from about 1890 until his death in 1924. In his most important book, Principles of Economics, he emphasized that the price and output of a good are determined by both supply and demand: the two curves are like scissor blades that intersect at equilibrium. His primary concern in Principles was Microeconomics, the study of Individual markets and industries,...

## Reviews

*This written book is great. I am quite late in start reading this one, but better then never. You will not really feel monotony at at any moment of your time (that's what catalogues are for about when you check with me).*

*Undoubtedly, this is the best function by any writer. This really is for those who statte there was not a really worth reading. Its been written in an exceptionally basic way which is merely right after i finished reading through this book by which really transformed me, change the way i really believe.*

-- **Dr. Deonte Hammes DDS**

*The publication is straightforward in study better to fully grasp. It is definitely simplistic but excitement inside the 50 percent of your publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*
