Xlibris Corporation. Paperback. Condition: New. 458 pages. Dimensions: 9.0in. x 6.0in. x 1.1in. Presented work is a textbook and exercise book of medical English in the branch of stomatology and at the same time a reading book of professional texts taken from the newest original sources. The material can be used by dentists and dental hygienists who encounter English-speaking clients in their surgeries. Professionals and students who are going to work or study in English-speaking countries as well as teachers of medical English at high schools and universities will find this book a useful aid for theoretical subjects and a valuable manual for everyday practice. All exercises contain correct answers, and the keys can also be used by students whose native language is English. The topics covered are preventive and community dental practice; history taking and examination; dental radiology; psychological aspects of dental care; paediatric dentistry; general medicine of relevance to dentistry; emergencies in dental practice; analgesia, sedation, and general anaesthesia; oral medicine; oral and maxillofacial surgery; periodontology; restorative dentistry; operative dentistry; minor oral surgery; orthodontics; removable prosthodontics; dental materials and conservation instruments. The author wishes a lot of success to all motivated and hard-working students. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
