Penguin Putnam Inc, United States, 2015. Paperback. Condition: New. 2nd Revised ed.. Language: English . Brand New Book. This new edition focuses on the Sonnets as poetry - sometimes strikingly individual poems, but often subtly interlinked in thematic, imagistic and other groupings. Gwynne Evans and Anthony Hecht also address the many questions that cast a veil of mystery over the genesis of the Sonnets: to what extent are they autobiographical? What is the nature of the love , strongly expressed, between the poet , the youth and the Dark Lady ? Can they, apart from the poet, be identified? Who is the rival poet ? When were the Sonnets written and in what order? What were the circumstances surrounding their publication?.
