Brand New Book ***** Print on Demand *****.Excerpt from Among My Books Some years ago when James Russell Lowell was American minister in England he wrote an Apology for a Preface to a volume of his collected essays, in which he explained that they were originally composed as lectures for an audience, part academic, part popular. This accounted for their more rhetorical tone; and we may add for their reminding their hearers continually of their author's attempt to strike an equation between himself, a New Englander of 1845, or thereabouts, and the writers and poets, men of all time, of whom they treated.
