Reviews

The best publication i actually study. I actually have study and so i am confident that i am going to likely to study once more yet again later on. You will not sense monotony at at any moment of your respective time (that's what catalogs are for relating to if you ask me).

U.S.A / Berg Publishers, 2000. Soft cover. Book Condition: New. No Jacket. Exploring the painful dynamics of personal identity and belonging, the author shares the difficulties of memory. How is it possible ever really to belong and feel safe and yet remember what happened to Jewish families in Poland? How can one remember without feeling overwhelmed by the terror? Crossing boundaries in a journey to Poland enabled the author to rethink a relationship between Judaism and modernity, as well as to reflect on the painful histories between Poles and Jews. Questions about memory, identity and belonging touch the lives of many people who live in the shadows of historical trauma. A 1st edition paperback, in new condition. (175 pages & 12 pages of introduction).
