Outskirts Press, United States, 2011. Paperback. Book Condition: New. 210 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.PAIN CAN CAUSE YOU TO BE ABSENT FROM YOUR OWN LIFE. A burnt child dreads fire, says the old English proverb. Pain speaks loudly in the lives of people who have been hurt. It continues to extend its dark shadow long after the initial injury takes place, limiting the scope of their dreams. It crosses generations, derailing destinies, manifesting itself in fear, indecision, hostility, promiscuity, manipulation, lying, and even in obesity. Pain must be put in its proper context. It must not become the voice of authority in your life, defining the parameters of your world and drowning out the divine invitation to fulfill your destiny. Are your life decisions faith-based or fear-driven? Who decided to choose the path that you are on right now? Are you living your own dream, or someone else's? Can you distinguish between the witch's tongue and the other voices around you? Leader: who is leading you? Does your pain speak in your ministry to wound those in your care? This book explores the many voices of pain that people often overlook or even mislabel. It shows how doors of opportunity may be inaccessible to an individual, because pain articulates an erroneous message about who he or she really is. It looks at how pain manifests itself in children, teens and adults, and presents strategies for taking back their voice. Each chapter comes with questions for assessment and discussion. Recognize the ways in which pain speaks in your life and begin today to reclaim your voice of victory! Do you know what language your pain speaks? Has pain drowned out the voice of God in your life and seized authority?...
