But the discoveries and recognition of identity of several series of coins of ancient (up to c. AD 750) and protomedieval (c. AD 750-1200) Bengal have been done only in the last two decades. A significant development in this field of Study is related to the post-Gupta period (c. AD 550-750). The availability of the Numismatic and epigraphic data relating to the coins and currency system of this age now provides enough scope for a fresh study of the subject. In fact, such an investigation is a desideratum for understanding the economic history of period of transition (from the Gupta age to the Pala times) in the history of Bengal.
