Mindstir Media, United States, 2014. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.The writer has purposed through the content of *The Israel Deception* to provide a clear understanding of the theological issues involved in the Zionist phenomenon. In the first instance it is necessary to survey the conditional nature of all of God's covenants from a strictly biblical perspective to provide new light on the subject for those who hold to a Zionist attitude within the church. Secondly, the secular Zionist movement needs to be thoroughly exposed as the deception it presents to the world at large, and which deception will capture the unwary and the biblically uninformed. This is a must read for every one confessing faith in the Christian gospel, and it has the potential of reaching many who have never completely embraced the true message of salvation.
