

The Truth in the Light

By Peter Fenwick, Elizabeth Fenwick

White Crow Books, United Kingdom, 2012. Paperback. Book Condition: New. 229 x 150 mm. Language: English Brand New Book ***** Print on Demand *****.Most of us at the very least wonder about our own immortality and many people are convinced that there is something beyond death, beyond the blackness of the grave. In Western Judaeo-Christian culture we absorb from an early age the idea that virtue now has its own reward - later. We are taught that the universe is essentially moral and that there are absolute human values. But increasingly, science presents us with a picture of a much more mechanical universe in which there is no absolute morality and man has no purpose and no personal responsibility except to his culture and his biology. We no longer live in an age when faith is sufficient; we demand data, and we are driven by data. And it is data - data that apparently throws some light on our current concepts of Heaven and Hell - that the near-death experience seems to offer. The near-death experience (NDE) is intriguing for two major reasons. First, it is very common and secondly, it is cross-cultural. The results of one NOP survey in...
