Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Sci-Fi Novella Sarah (8th grader) awakes from a coma after a global computer crash. The Crash brings down electrical, banking, telephone, and food distribution systems around the world. Then Earth is attacked by space aliens, who had sent the virus to cripple Earth's defenses before their invasion. Only a few computers with unusual operating systems are immune from the computer virus, like Sarah's Raspberry PI kit computer that she uses to help crack the computer code of the space pirates. Great gift for teenagers Easy read for a lazy afternoon or a day at the beach Hi / Lo (high interest and low reading difficulty) book with concise chapters, fast pace, and short length to entice reluctant readers. First read it yourself, and then discusses chapters with the young person as they read the book. alien invasion of Earth, fantasy, fun, adventure, dystopia, science fiction, starship fleet, first contact, Anunnaki, ancient astronauts, deities, gods, outer space, teen, young adult, middle school, girl, computer coding.
