Reviews

It is one of my personal favorite pdfs. Of course, it really is a play, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

Excerpt: . . . which being the effect either of the peculiar situation, or of the political institutions of a particular country, takes place only in that country, is a matter of very great consequence, which, far from tending to make any body really richer, tends to make every body really poorer. The rise in the money price of all commodities, which is in this case peculiar to that country, tends to discourage more or less every sort of industry which is carried on within it, and to enable foreign nations, by furnishing almost all sorts of goods for a smaller quantity of silver than its own workmen can afford to do, to undersell them not only in the foreign, but even in the home market. Vol. ii. page 278. One, and I think the only one, of the disadvantages of a low value of silver in a country, proceeding from a forced abundance, has been ably explained by Dr. Smith. If the trade in gold and silver were free, the gold and silver which would go abroad, would not go abroad for nothing, but would bring back an equal value of goods of some kind or another. Those goods, too, would not be all matters of mere luxury and expense, to be consumed by idle people, who produce nothing in return for their consumption. As the real wealth and revenue of idle people would not be augmented by this extraordinary exportation of gold and silver, so would...
