LionheArt Publishing House, United States, 2014. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Between morality and reality, what will a man choose when all he knows is brutality? 2256: Ologun Jowett is convicted of carrying out a massacre and sent to the planet Deceiver to labour in its deep-sea mining facilities. He arrives as the planet undergoes a catastrophic ice age due to the appearance of God s Blade - a colossal fragment of unknown origin which has come to rest midway between Deceiver and its sun. 2338: Captain Frank Sharplin is the caretaker of Black Ball - the outpost established on God s Blade - a non-taxing appointment as steward of what had once been a bustling city but is now little more than a tourist resort. His peaceful life is shattered when a transport is discovered under the ice on Deceiver. To his amazement, one of the passengers - Ologun - revives and life on Black Ball takes some unexpected turns. The peace of Black Ball is shattered when IMC ships arrive and commence battle - with each other. Soldiers invade and the inhabitants run for their lives, desperate to find an escape. More mysteries ensue. How does Ologun survive his horrific injuries? And what is his mission? Can Sharplin overcome his passive nature and save the lives of those in his care? What is the Prospect Division planning? And who are the people who resist them? Who or what is the mysterious Spectra? Version is a fast-paced sci-fi thriller, which will keep you gripped from beginning to end and have you shouting out loud at the characters - highly recommended. Karen Perkins, bestselling author of Thores-Cross and the Valkyrie Series.
