Createspace, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Agency Administrator's Guide to Critical Incident Management is designed to assist Agency Administrators in dealing with critical incidents. A critical incident may be defined as a fatality or other event that can have serious long-term adverse effects on the agency, its employees and their families or the community. Although fire incidents inspired this document, it also has application to other types of incidents. The Agency Administrator is the highest-ranking agency line officer with direct responsibility for the personnel involved in the incident (for example, BLM District Manager, Park Superintendent, Forest Supervisor, Refuge Manager, BIA Agency Superintendent or State land manager). Through effective, efficient, and timely leadership, Agency Administrators are responsible for the overall management of critical incidents within their jurisdiction. This document includes a series of checklists to guide an Agency Administrator through those difficult and chaotic days that follow a death, serious injury, or other critical or highly visible event. The time to use it is now! This document needs to be reviewed and updated at least annually. The availability of Critical Incident Stress Management...
