Brand New Book ***** Print on Demand *****.Babies and animals often have a sense when there is something amiss. Every cell in our body carries an electromagnetic charge and the water in those cells feed that charge, like a battery. We essentially radiate with that charge, or energy. This electromagnetic energy that people emit resonates with their emotional vibration. Emotions and physical imbalances tend to alter the vibration and, because color varies depending upon the vibration of light, a person's aura reflects what is going on with that person. Perry and his dog, Chumley, sense things and respond according to what they feel. Initially, Perry's mother is concerned about what her son sees around people, but instead finds out that Perry has a special awareness. His family learns more about their own intuition and when to trust it. Perry Sees is #3 in the Our Life Skills series Perry Sees is also published as part of a four story collection in the book, Our Life Skills: How to Stories for a Happy and Healthy Life.
