Reviews

The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Marlin Swift)

LOGILINKS: ALSO CALLED LINK-A-PIX

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 280 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This book contains Logilinks (also called Link-a-Pix) created by LOGI, a leading Polish puzzle publisher. Inside you will find 30 beautiful puzzles with unique solutions, of every difficulty level, easy, medium and hard. Size of the puzzles: from 10x10 to 35x50. Each number has a pair. Find this pair and connect numbers with a line. Fill in fields along the line so they create an image. Reasons to like Logi puzzles: Each puzzle has only one solution. Puzzles are tested by a computer program designed by Urszula Marciniak, a mathematician and puzzle lover. You can solve puzzles using only logical thinking - no guessing is needed. The program is designed so that it uses only human kind of thinking. So even if a puzzle has only one solution, the program can reject it, because human will not be able to solve such puzzle without guessing and finding contradictions. This is what makes Logi puzzles enjoyable to solve. Puzzles are created by professional graphic designers. We have very high standards for graphics. We don't accept all images, they have to fulfill certain conditions, like no empty lines, clarity, and many other. We set five difficulty levels. The levels are set by a computer program, so they are always objective and the same. No repeating puzzles. The puzzles you see in this book are not published in any other non Polish language book. They were only published in our Polish monthly magazines available in Polish press stores or in online store at our website. We publish puzzles since 2004 - we know well what puzzlers like. If you have problems with solving a puzzle send it...
