Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 262 pages. Dimensions: 9.7in. x 7.4in. x 0.6in. This premium quality large print volume includes the complete and unabridged text of H. G. Wells original science fiction classic -- The First Men in the Moon -- an enduring and still-popular work which exerted a huge influence on the science fiction genre which continues today. This freshly edited and newly typeset edition features a large 7.44x9.69 page size and is printed on heavyweight bright white paper with a fully laminated cover featuring an original full color design. Also included in this volume are page headers and an introductory biographical sketch discussing Wells life, work and continuing literary significance. This story, an early and influential tale of humans traveling through space, involves the theme of humanity coming into conflict with alien societies, in this case the encounter between human explorers and the native inhabitants of the moon. Wells had previously considered this theme, in the context of the invasion of the earth by hostile Martians, in The War of the Worlds. A common theme in the science fiction genre, these tales by Wells represent two of the earliest and most influential such stories. But unlike so many of the similar stories that have followed, Wells did not indulge assumptions of the innate superiority of humanity or mans scientific achievements. Rather, Wells portrays humanity as engaged in a struggle with forces beyond its control, reflecting an underlying fear that scientific discovery and progress might not make man the unchallenged master of the universe after all. Herbert George Wells (1866-1946), was born to shopkeepers who had previously been domestic servants. When an injury ended his fathers income as a professional cricketer, Wells parents, on the brink of poverty, apprenticed him to...
