LEARN GIT IN A MONTH OF LUNCHES (PAPERBACK)

Manning Publications, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. DESCRIPTION Git has emerged as the source code control system preferred by distributed development teams. Its unique decentralized architecture and lightning-fast branching allow users to concentrate on code instead of tedious admin tasks. While Git can appear to be a diverse and sprawling beast, there are a few essential concepts and techniques required to get the most out of it. This book helps build the skills...

Reviews

This book is definitely not easy to get going on reading through but extremely exciting to see. I am quite late in start reading this one, but better then never. I am pleased to explain how here is the finest book i actually have read inside my individual daily life and may be he best book for ever.
