

Lucky Him: The Biography of Kingsley Amis (Hardback)

Filesize: 8.43 MB

Reviews

Without doubt, this is actually the greatest work by any writer. It is actually written in simple terms instead of confusing. I found out this ebook from my i and dad recommended this pdf to understand.

Peter Owen Publishers, United Kingdom, 2001. Hardback. Condition: New. Language: English . Brand New Book. The works of the late Kingsley Amis will surely stand as some of the most original and brilliantly crafted contributions to post-war English fiction. Yet, in the light of his recently published *Letters* and *Martin Amis's Experience*, it would appear that our understanding of this writer needs to be entirely re-thought. Kingsley Amis frequently affirmed that his fiction was not based on his life; he even issued an elaborate note of denial in a TLS essay called *Real and Made-up People* ; if some parallels were obvious (Jim Dixon in *Lucky Jim* was, like his creator an impoverished young academic in a provincial university), they were hardly worth comment, and the one novel by that time - 1973 - that was based on real people and actual events (*I Like It Here*) was written out of laziness or sagging invention and was by common consent, my worst . However Professor Richard Bradford would argue in this book, the first serious study of the writer in almost a decade and the first to incorporate his *Letters*, that Amis's fiction stands as one of the most entertaining and thought-provoking autobiographies ever produced. He demonstrates that there exists a dynamic relationship between what Kingsley Amis did, thought, experienced and what he wrote. His literary skills were tested and extended in their dealings with the confounding, puzzling panorama of his life. Richard Bradford makes clear that a trawl through reviews of both the *Letters* and *Experience* reveals a significant distortion of the facts about Amis in the interests of PC dogma; he believes that it is not possible to offer a comprehensive picture of Kingsley Amis the man, as husband, philanderer, friend, father, jester, boozier, agnostic, pseudo-socialist...
