

Anxiety: 3 Books in 1: Anxiety and the Brain, Anxiety and Phobia, Anxiety and Depression (Paperback)

By K Williams

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Do you find yourself not being able to enjoy the great outdoors because you feel like the world s going to eat you? Do you feel extremely panicked at the tiniest things? Do you ever feel -closed in- and uncomfortable at random times, for no apparent reason? If you have ever felt any of these things, or anything similar, then you probably suffer from anxiety, depression and/or phobias. Chances are, if you experience some of these things, you know that it s irrational, yet you can t do anything to control how you feel. This book is here to help guide you so that you can repair these issues and be able to live your best life possible. In this book you will learn: -The changes that occur in the brain due to anxiety, phobia and depression -What phobias, anxiety and depression are -The difference between fears and phobias - Common problems resulting from anxiety, phobia and depression -Treatment for anxiety, phobia and depression -And much more. As a rule of thumb, you should always try self-help. The more you can...
