## No Country For Women

---

By Taslima Nasreen

Times Group Books, New Delhi, India, 2010. Softcover. Book Condition: New. First Edition. This book is a collection of Taslima Nasreen's essays which revolt against the status of women in this man-made world. Taslima says that there is no place which belongs to women and hence they have to fight for every inch of ground to get their rightful place. Her fans laud her acuity of observation, sharpness of presentation and boldness of articulation. They are running fan clubs and blogs in her name even when she is unaware of those. Her critics dislike anything that is Taslima. Some have even called her a misandrist. She denies, but asks, Who is Guilty? Men or Patriarchy? You cannot say that men are good but patriarchy is bad. Behind the powdered faces of the elite society lies the stark reality where law is violated with impunity and where a woman is not regarded as a human being. She is a thing to be exploited, molested and raped', she argues in one of her essays. She lambasts those who call themselves secular and pander to the fundamentalists. She exhorts them to rise above narrow interests and to think of the larger goal of the progress...
