Reviews

Very beneficial to all of type of individuals. This can be for those who statte that there had not been a really worth reading. You will not really feel monotony at at any time of your respective time (that's what catalogs are for concerning should you ask me).
(Michale Shields)

NIGHTS REMEMBERED (PAPERBACK)

iUniverse, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. NIGHTS REMEMBERED is not, as the title suggests, a series of flashbacks, but rather a story with many nights to be remembered. --Carl Sanford realizes that it was a mistake to keep his mother's cheating from his father. If he had told him, his father would be alive, and he would not feel the pain of guilt. He is sixteen years old and the year is 1955 when conditions at home become intolerable; he has no choice but to leave Fort Myers and live with his uncle in Naples. While there, Jill, his uncle's daughter, and he, learn to operate his uncle's charter boat. While aboard his own charter boat, and working out of a marina in Sarasota, he and his daughter are caught in a violent storm. After the storm, he makes a discovery that will influence the rest of his life. You will sympathize with Carl while a teenager, respect him as an adult, love his independent wife, and admire his courageous daughter.
