Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Moon Berry Wine is a far future science fiction novel - a symphony of love, war, loss, and rebirth in a distant future time place in the galaxy. Zara is the Crown Princess Upholder, of the ruling clan on the Tellerine world in the Corduaine system. Ranay is a gifted commoner, with whom she falls in love, and he falls in love with her. He gives up his future to marry her on her home world. At first, everything looks wonderful and promising, despite her gruff father the Lord Trask, Upholder of Corduaine and Tellerine. Tragedy and horror rip through the peaceful Corduaine System. Suddenly, it s all about life and death, demanding courage and duty. Fighting alongside military priestesses, mystical abbesses, time-traveling HM Sacred Agents, and other denizens of this future world, Ranay and Zara confront their...
