

## Thyroid Neuropathy and Myopathy Questions and Answers: Quality Information Exchange Between Fellow Patients

By James M Lowrance

Createspace, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book contains 6 of the best Question and Answer discussions that I have had with fellow thyroid myopathy and neuropathy patients, over the years (approx. 3,900 words in length). The people who asked me these questions, came to know me through the many thyroid disease books and articles I have published since year-2005. They were also aware of the fact that I was diagnosed with peripheral neuropathy and myopathy, as a result of thyroid disease and nutritional deficiencies and that I have been receiving ongoing treatment for them. While these discussions are mainly about symptoms and diagnoses of metabolic muscle and nerve diseases, treatments for them are also discussed. For more information on treatments, see my book titled: Neuropathy and Myopathy in Treated Thyroid Disease. Certainly patients should look to their doctors for direction and advice, first and foremost but it can bring additional comfort when one can relate to another patient who has actually been there. Experiencing significant, negative changes in nerves and muscles of the body, can be a scary thing. It can be very...
