Tupac stood over the Olmec warrior smiling, then he pulled the spear from the man s neck watching blood pump out and gored it into the man s chest and heart. He felt the spear ripping though man s flesh and bone. A lifetime of answers in the span of Five Seasons The scholar teaches the wretch from Erren and sends him on a journey through the northern wilderness. Born of the jungle wilderness, young hatred chases young love up an unknown coast toward the unforeseen and unpromised. A primitive holds the answers to those who can smell the wolf, hear and speak of the freedom and gaze upon the staff. All on a journey of Five Seasons, walking toward a new life yet all one pace away from death.
